BUTCHER BOYS

PRIME STEAKHOUSE

@morningside

What's a great steak without an incredible wine to complement it? Well, it's still a great steak of course, but wine definitely adds something special to the occasion.

At Butcher Boys Prime Steak House, we pride ourselves in our extensive (and well curated) wine selection and love to assist you in pairing the perfect wine with your meal to ensure the best wining and dining experience.

Please feel free to explore our temperature controlled wine cellar, where you will find a further selection of fine wine beyond those showcased within this menu.

Vintages listed are the current vintages at the time of print, it can happen that the estate changes the vintage during the year.

Wine by the glass is 250ml.
