

Welcome To Our GREAT WINE CELLAR

At Butcher Boys, we pride ourselves in our extensive (and well curated) wine and drinks selection. Apart from what you will find between these pages, you're invited to take some time and explore our temperature-controlled wine cellar for our off-menu offering. This changes regularly, as we discover boutique farms, unique vintages, or exceptional value that we believe will elevate your experience.

Except for our French champagnes, our wines are all proudly South African, and handpicked from your favourite farms across the Cape Winelands. The variety of terroir means we offer something for every palate, whether you're after something easy drinking for lunch, or a showstopper to mark that special occasion.

Let's start
making memories
