Making Memories, That's What You're Here For

Everybody wants their celebration to be unforgettable, their meal to be exceptional and the experience to be extraordinary. It is about more than gathering around a table and breaking bread, it's about reuniting with people that matter, sharing good taste and creating community in a beautiful and meaningful manner.

At Butcher Boys @ Kyalami Hills, every aspect of our iconic restaurant has been lovingly curated to achieve this. The menu is impeccably tailored, the wine list hand-chosen and extensive, the experiential offering perfected, and stunning pockets of space created to suit each guests dining preferences.

The result? This extraordinary restaurant promises not just to be a place where you come for Great Steaks, but one that you leave having made memories.

The Butcher Boys brand itself is 25 years old and has established itself as one of the finest and most welcoming steakhouses in South Africa. However @ Kyalami Hills offers evolution, standing as a landmark dining destination.

Our main restaurant, comprises a lower and upper mezzanine level, which boasts a stunning 240 seats, filled with natural light, high ceilings and an abundance of space. In addition you can explore our extensive fine wine cellar, and even dine within it, if you wish. This forms 1 of 2 private dining rooms for that special event or occasion, perfect for making memories in.
